Annual Meeting runs from 5:30 - 7 pm on May 21 at Ebenezer Lutheran church. (No charge to attend)

Annual Dance:

Dancing starts at 7 pm. No charge to attend.

### **Annual Meeting Events**

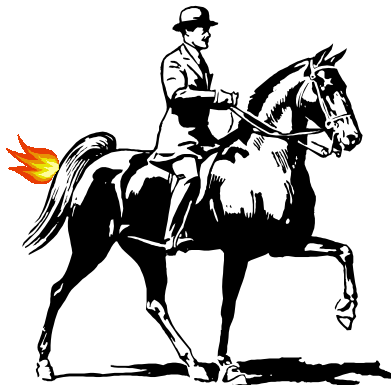

- Introduction of Board member candidates
- Election of New Board Members
- Financial Presentation by Treasurer

BMP teacher John Oldfield will put our new students through the time honored rituals of initiation, the details of which we are sworn to secrecy (Hint: it is strongly advised to be wearing clean underwear that day.)

This will be followed by all-level dancing from all of our club callers who are available that day. We will serve cake in honor of the occasion, and continue dancing until around 9:00 PM.

**Gas prices too high?  
Get on your horse  
and come to the  
Annual meeting!**

### **Seeking New Board Members**

Would you like to serve as a board member of Chi-Town Squares? There are three board positions open for this year's election on May 21<sup>st</sup>. Current nominees are: Bob Sundal, Das Janssen, and Chuck Pease. In order to qualify to run for the board, you must be a member in good standing. You will need to be present at the May 21<sup>st</sup> Annual Meeting to present yourself to the membership, and possibly make a speech as to why you would make a good board member.

The board terms run for 2 years. You will be required to attend the monthly board meetings and serve as a board officer and/or committee member.

If you are interested in running, please contact Joe Kerouac, board secretary at 773-425-7584.

### **Graduation Postponed**

Usually Chi-Town Squares celebrates the graduation of our new class during our Annual Meeting. This year's ten new dancers have asked John to slow down the pace. So we granted them that wish. Therefore our new students will continue learning during the summer and graduate during Crossfire. But never fear, we will have all the traditional activities for the new students at the dance on May 21<sup>st</sup>, except, of course, for the Plus graduation certificates.

## Membership Renewals Due

Chi-Town's fiscal year ends May 31, so your membership renewal is due by June 1. You should have gotten an email notification via Club Express to this effect. You can renew and pay online at the ClubExpress website **cts.clubexpress.com**. Alternately, forms will be available at summer sessions so that you can pay in person.

If you have questions, please contact any board member, or president Bob Sundal at **sundal.bob@comcast.net**

## CTS Fall 2011 Plans

- Mondays, A/C workshops with Sandie Bryant
- Thursdays, BMP Class with teacher John Oldfield

Other days / classes are still under consideration by the board.

## Advanced & Challenge

Coming up this summer are two regional opportunities for advanced & challenge dancers.

First is AACE, June 15-18 in Milwaukee, the premier Square Dance Convention for Advanced & Challenge dancers. Our own Sandie Bryant will be calling along with 7 other prominent callers.

Next is the Stampede Advanced weekend in Arlington Heights, IL, from July 8 to July 10. Come support the straight dancers who have supported Chi-Town on Monday A/C sessions this year.

## Where Have All the Photos Gone?

I am submitting this article again since I have not heard anything from anybody – so I assume no one has found these photos. This is just a reminder to let me know when they are discovered. Thanks!!

Also I do have the infamous Lois Carmen D'Nominator badge along with Mike's badge that will be delivered to the Atlanta convention for the memorial quilt.

At the time of Mike Blizzard's second memorial – I sent a number of memorabilia (mostly pigs) to be given out. With it were a couple of plastic sheets of photos and his obituary to be put into the most recent club photo book. For some reason they were not put into the book – and the folks I have spoken with do not know where they are. If anyone knows of their whereabouts – please let me know.

## Atlanta Bound?

Are you heading to the Atlanta Convention over the 4<sup>th</sup> of July weekend? Do you need a roommate? Joe Kerouac, board secretary, will keep a list of people looking for roommates. If you need a roommate for Atlanta, call or e-mail or see Joe and he will add your name to the list.

Joe's contact info is:  
773-425-7584 or **jwdk1949@aol.com**.

*Spread and Circulate* is the newsletter of the Chi-Town Squares. Submissions and correspondence should be sent to the editor at **dontcallmechief2@hotmail.com** by the 15<sup>th</sup> of the month for the next issue.  
Submissions may be edited for length or content.

# Chi-Town Shakedown 2010—It's Over.

In July 2010, Chicago hosted the 27<sup>th</sup> Annual International Association of Gay Square Dance Clubs (IAGSDC) 2010 Convention – **Chi-Town Shakedown 2010** – at the Hilton Chicago. We had over 1,000 dancers and their friends come to Chicago to tour, dance, socialize, dance some more, and enjoy all that Chicago had to offer. We have had nothing but praise from our attendees on what a fun Convention it was for them. Not only did we have fun, but the Convention also made money.

**Dancing in the Hilton Chicago Grand Ballroom with more than 999 of your friends!**

# RSVP Now for Crossfire XXI...Finally Legal!

By Bob Siegel

We're only four short months away from the return of the Great Chicago Crossfire, the annual fly-in of Chi-Town Squares, to be held over Labor Day weekend Sept 2-5. We look forward to welcoming over 100 dancers from across the country to our first fly-in in two years, since we took last year off to host the wildly successful convention Chi-Town Shakedown in July.

So what can you do now in preparation of the grand event? Many things! First off, registration is open. So grab a form at the church and send it in; the earlier the better, as it helps the committee better plan scheduling. You can also download a form at the Chi-Town Squares web site, and even pay by PayPal through Club Express (there is a link to the IAGSDC site where you will have to log in to be able to do this.) The current full weekend fee is only \$90,

**but will be going up to \$105 on August 1.**

Our crack committee, headed up by Andrew Mondt and Michael Pemberton, has made sure all the important details are set. Our own Sandra Bryant and Nick Martellacci from New York are the featured callers, who will be supported by many of our wonderful club and out of town callers. The venue contract has been signed, as we will return to dance at the Center on Halsted Friday through Sunday, in the heart of gay Lakeview, with its myriad of fantastic restaurants and clubs nearby.

Our traditional Sunday brunch, included in the registration fee, will be held at Sidetrack, the Video Bar. It will be a catered event with a cash bar open for alcoholic drinks. Thanks go to honorary member and co-owner of Sidetrack Chuck Hyde for helping arrange this, and for his continued generous support of our club. On Monday we will be back at Ebenezer Lutheran Church, for our customary potluck luncheon and dancing to John Oldfield and Kris Jensen.

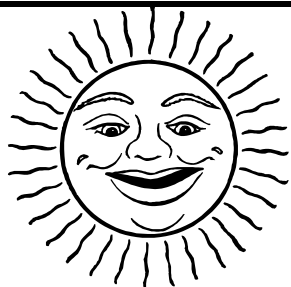

The theme of "Finally Legal" began with it being our 21<sup>st</sup> fly-in, the legal drinking age. But with the passage in Illinois of civil unions earlier this year, we have expanded it to a theme suitable for commitment ceremonies and the like. Therefore the Saturday Night dance has been declared the "Wedding Dance", and is sure to be the highlight of the weekend. Feel free to dress in the wedding role of your choice: bride, groom, couple, flower girl, best man, mother of the bride...let your imagination go wild! Maybe watching William and Kate's recent nuptials gave you some ideas...I saw some unique hats there that I may try to imitate!

Another thing you can do is talk it up! Whether you are traveling to local area dances, other fly-ins or the Convention in Atlanta, word of mouth is always the best publicity, and we sure can use it. Be sure to ask a committee member for a handful of registrations forms to bring wherever you go, or print some off yourself.

Another selling point is to wear the new Crossfire T-shirt to out-of-town events. If you haven't seen it, it is a beautiful design of embroidered interlocked rainbow rings on a chalk colored background, and was designed by Cyndi Wood, the sister of the late Chi-Towner Eric Calimag. You can order the shirt on the registration form, or contact Michael Pemberton at [illinoisgaysqdc@aol.com](mailto:illinoisgaysqdc@aol.com) to order one in advance.

Finally, you could help by volunteering. It is not too late to join the committee, which will be meeting again soon (contact Andrew at [amondt@comcast.com](mailto:amondt@comcast.com) for details.) We can always use help in decorating, food, soliciting donations for door prizes, signing up desk volunteers during the weekend itself, and other tasks. This year's committee members include Nancy Vedder, Bob Siegel, Matt Hutchinson, Joe Miera, Carri Hilbrand and Das Janssen.

Another important thing you can do is offer housing to out-of-town guests, which is a tradition that helps keep traveling costs down for out-of-town guests, and can be conducive to meeting new friends! You can indicate if you have an extra bed or couch on the registration form, or contact a committee member directly to let them know.

# Having a Grand Time in Grand Rapids

by Bob Siegel

The Grand Rivers Squares hosted yet another fabulous fly-in the weekend of April 8-10. The theme this year was “Wheelin’ Dealin’ & Gettin’ Lucky”, and Vegas décor was everywhere to be seen; from dice, cards, poker chips, slot machines, and even a wedding chapel of love, where anyone could “get married” and pose for pictures in veils and tuxes, with Elvis and Marilyn serving as witnesses!

The callers this year were Chi-Town favorite Ken Burke, who called in his usual frenetic and entertaining way, and Todd Fellego from Connecticut. Todd was here despite dealing with the grave condition of his father, who passed away the following Wednesday, so let me take this chance to express my condolences to Todd and his family.

I drove up on Friday with Steve from the new BMP class, who along with Das and Frank were attending their first fly-in. It is always enjoyable to share a three-hour drive with someone new as a good way of getting to know him. And I can see in all of the new dancers how they have “caught the bug”, like all of us did at one time...having some apprehension at dancing outside the class, but with a great enthusiasm to dance as much as they can, and beginning to discover how this activity can lead to great adventures, travels and friendships for many years to come.

We all gathered for the first night of dancing at the familiar Latvian Center not too far from downtown, where our Grand Rapidian hosts made us feel welcome right away, with quite a spread of snacks and beverages not even advertised as part of the festivities. One thing strikes me most about this club is how they have perfected how to throw a great fly-in, with everything organized and planned to a T. The other thing that amazes me is the number of people in the club that pitch in and contribute, despite being a smaller club. It seems that everyone in the club was involved in at least one of the many fly-in committees, not just a handful of members. I mean, there were at least seven people on the decorating committee alone!

On Friday night there was an after party at one of the local bars Diversions, where we were invited by the Grand River Renegades for some country western and line dancing. On Saturday afternoon they thankfully didn’t schedule any dancing until noon, which gave people the option of using the morning (or the whole day) to explore some of the downtown attractions. We gathered again that evening for what might have been the highlight of the weekend...the fabulous potluck dinner. OMG, I have rarely seen such a huge spread and variety of food and desserts, including a labor intensive, seven-layer rainbow Jell-O mold! Suffice to say that nobody went hungry.

On Sunday we were greeted by sunny 80-degree weather, which made me glad I packed my shorts. We had a lovely catered brunch, and then danced for a few more hours before saying our goodbyes. Most of the 20-30 Chi-Towners who attended cut out a little early, due to reports of ominous storms which never did materialize. But I’m sure most of us will be back again next year, as next years’ fly-in is already planned. It will be held April 13-15, 2012 and is called “Turn Thru the Tulips and Dutch It Up”, featuring callers Gary Monday and our own Sandie Bryant. So save the dates!

# New Class Report—Full Speed Ahead!

By Joel Iott

The new class has now made it more than half way through the Plus list, and I am happy to report that our class size has remained almost stable since the beginning of the year.

Our experiment with prolonging the teaching season through the rest of the summer has been an unqualified success. Most importantly, we have seen our students return week after week, with smiling expressions and good attitudes (usually!). In past years, we have seen students drop out when we got to the Plus level. Other students would stay until graduation, but not really learn how to dance competently—and then try and make up for the deficit during the summer, or simply disappear after graduation.

We have had a couple of changes in the student body. Peter Rekdahl unfortunately had to stop classes due to some issues with his feet. Since he was going on an overseas trip that would involve substantial walking, he wanted to save his feet for the trip. We reluctantly said farewell to Peter and wished him well. We will miss his cheerful face at class, but hope to see him at the annual dance on May 21.

We have had a new student, Chris, attend Plus classes. Now in Chicago, Chris hails from Amarillo, Texas where he danced with the Yellow Rock square dance club. We're happy he found our club on the web, and hope to see him during the summer sessions.

We are so grateful for the angels who come out and support the class on Thursday nights. It really makes so much of a difference for the students to have a guide right next to them on the dance floor while they are learning the Plus

calls. We have had a few nights recently where due to a combination of either students missing class, or angels not showing up, where we were one or two people short of filling out 2 squares. Please consider supporting our new class by attending the final regularly-scheduled Plus class on May 19, and the summer classes beginning on May 26.

## Summer Sessions—A Cheap Way to Tune Up Your Rusty Plus!

Hey, did you know that you can get a review of some of those Plus calls you might be a little rusty at, for the low, low, angel rate of \$4\* per session? What a bargain!

\*The rate for angels who are members remains \$4. Non-members pay \$8.

During the summer season, the students will learn the following calls, as well as dancing the rest of the Plus level: Relay the Duecey, Peel the Top, Diamonds, Single Circle to a Wave, Trade the Wave, Crossfire, All 8 Spin the Top, Chase Right, Dixie Grand, and Spin Chain and Exchange the Gears. But you can think of it as a detailed review of those tricky calls!

Our final regularly-scheduled Plus class on May 19 will have the normal schedule: Review starts at 7 pm, Regular class starts at 7:30 pm.

We then go on the Summer Schedule, where Regular Class starts at 7:30 pm Thursdays. Summer sessions will be downstairs in the air-conditioned hall. Please see page 6 for the summer schedule.

Our students will graduate Plus and have a ceremony at Crossfire over the Labor Day weekend.

# Banner Retrieval Planned for June 27

Chi-Town has been busy this spring retrieving banners from local area clubs. We have retrieved 3 of our 4 banners that were out!

- On April 3, we retrieved from B 'n' B Flossmoor
- On April 20, we retrieved from the Ocean Squares 45<sup>th</sup> Anniversary dance in Lombard
- On May 6, we retrieved from Glenview Squares in Glenview. Bob Sundal, Rich Sehnert, Ed Siegel, Sammy Ip, Claudine Kastner and Therron Ricks made the trip. Dave Sutter, a caller from Iowa, was the caller.

We have also had some help from members of the Chi-Town BMP class who have come out and participated in the banner retrievals. Reports are that they had a good time and even danced some full Plus tips!

We are planning on retrieving our last banner from the Square Spares & Pairs dance club on Monday, June 27. Plus class members are welcome to attend.

If you can help retrieve our banner, please contact Rich S. at [midlorich@yahoo.com](mailto:midlorich@yahoo.com) to let him know you're coming.

The following information is from the web; please confirm the details with Rich before traveling to the banner retrieval.
